details

An approved Neighbourhood Plan is a document used by Cornwall Council when making decisions on planning applications in the Plan area. This is an opportunity for the Parishioners of Ladock Parish to have a real say on how our community will develop and how the land is used over the next 15 years.

Please contribute to this process by filling in this questionnaire - everyone's views are important. Additional copies of the survey are available from Ladock and Grampound Road Shops. Please also return completed forms to these locations by 31st March 2016 or post to Liz Barker, Mill House, Ladock, Truro, TR2 4PG. The form is also available to download from the Ladock Parish Council website, www.ladock-pc.uk/

Is there anything else that you would like to see covered in the Neighbourhood Plan?

We need help to prepare a Neighbourhood Plan. Will you help us?

We would need volunteers to join focus groups for example on Housing or Landscape, help with administration and distribution of leaflets. At least five residents will be needed on the main Steering Group if the project is to be taken any further. If you can, please add your contact details below, including your email if you have one, **and the level of help you could provide.**

Please give your name and contact details below if you would like to be entered into the prize draw for a £25 voucher towards a meal at the Falmouth Arms.

What if we do not produce a Neighbourhood Plan?
We will have much less of a say in what happens in the Parish.

THANK YOU.
